

Sports Premium, Objectives, Outcomes, Impact and Expenditure: 2015/16

Employment of Sports Coach	Funding Allocation	How to achieve these targets	Impact Summary
<p>Aims and Objectives</p>			
<ul style="list-style-type: none"> • CPD in Physical Education, Improve knowledge and confidence in teaching staff when delivering PE. • Increase participation in sports competitions • Identify and develop gifted and talented 		<p>Sports Coach working alongside class teacher when delivering PE lessons. Assisting teachers in planning and delivery. To help improve confidence and knowledge of PE and sport. Feedback and guidance to be given on a regular basis to teaching staff</p> <p>To enter 'Birmingham School Games' (Level 2) tournaments as well as local partnership sports events, giving pupils more opportunities to represent the school through sport, learning how to compete. To facilitate level 1 competitions within school.</p> <p>To identify gifted and talented children through PE lessons and sports clubs. To provide competitive events for these</p>	<p>Teachers have gained confidence and knowledge and confidence when delivering PE. Teachers have expressed how they have increased their knowledge in many different sports and activities. Overall quality of PE lessons has shown a vast improvement with all children being engaged and thoroughly enjoying PE.</p> <p><u>School Games Level 2</u> These are the event we participated in; Football, basketball, tag rugby, hockey, indoor athletics, gymnastics, dodgeball, tri golf, handball, tennis, netball, tag rugby, super 4s athletics, rounders, cricket.</p> <p><u>School Games Level 3</u> These are the level 3 events we participated in; basketball, hockey, indoor athletics, tri golf, handball, tennis, super 4s athletics, cricket</p> <p><u>Other Sports Events</u> Cross country league, multiple tag rugby festivals, local multi-sports league and AVFC football competitions.</p> <p>We now have many gifted and talented children who regularly participate in</p>

<ul style="list-style-type: none"> • Improve mass participation in physical activity for all pupils • Increase participation in sports clubs 		<p>children. To coach children in preparation for these events. To liaise with parents and local sports clubs, to get children involved with local clubs.</p> <p>By adding sports based initiatives and clubs that will be easily accessible for all children.</p> <p>By targeting all children through different varieties of activities</p>	<p>events and training. Also have a girl who represents the girl's football district team. We have 8 year six boys who play for local football teams 4 children in year 5 and 6 who represent local tag rugby teams.</p> <p>We have had increased participation in sport during breakfast clubs, lunch clubs and after school clubs, which of all are free of charge for our children and delivered by our coach. Government funded initiatives like the Fizzical programme, and Sustrans have also provided more opportunities for our children which again have been free of charge. The 'Kids Marathon' initiative was also initially a success with many of our children achieving a marathon over the academic year. Improvement in attitude towards PE and sports to be shown by pupils. Increase variety of sports provided to pupils. Success in level 2 and level 3 School Games competitions</p> <p>Our children now have many of different ways in which they can engage in physical activity. We have between 30-50 pupils take part in a breakfast club physical activity available to all age groups, every morning. As well as this we have a variety of lunch clubs, ranging from clubs for gifted and talented to</p>

<ul style="list-style-type: none"> • To facilitate and host sports events • To raise the profile of P.E and sport within school. 		<p>By creating links with schools within our local area.</p> <p>By advertising events to our parents through our calendar. By creating a sports blog and website. To actively promote P.E and sport to pupils, staff and parents. Increasing knowledge, lifestyle benefits and educational benefits on a wide scale.</p>	<p>programs like the 'Fizzical Programme' which targets the less active. More after school sports clubs are now available and are primarily used for training of sports teams for upcoming events and fixtures.</p> <p>Our sports coach has hosted many competitions including netball, tri golf and tag rugby in which many schools have participated. For the rounders competition we had nine schools attend</p> <p>Through feedback of children and staff, children have expressed their enjoyment and interest in PE and sport. Participation levels in physical activity have risen. Parents are also fully engaged with this. An example of this was a recent health day in which parents accompanied their children into school to take part in a health and fitness workshop in which our sports coach put on agility, speed and coordination session for parents along with their children.</p> <p>Our sports webpage has been a very successful having thousands of views. This is where our parents and children can get all the latest info on sports and PE at our school.</p>
